CONTRIBUTIONS:

1 - A STRENGTHENED UN ENVIRONMENT PROGRAMME

A number of principles that should be adopted:

- Broad societal consensus on long term vision UNEP
- Reliable analysis of the present situation and future scenarios UNEP
- Integrated planning comprising all dimensions of sustainable development UNEP
- Building on existing strategies and processes UNEP
- Increasing links between national and local level strategies UNEP
- Integration into financial and budget planning UNEP
- Early monitoring to steer processes and track progress UNEP
- Effective participation mechanisms UNEP

2 - ROLES OF UN AGENCIES, PROGRAMMES AND FUNDS

- Analysis (participating mechanisms)
- Vision(planning, prioritising, decision making)
- Objectives
- strategies
- Operationalisation
- Financing(mobilising financial resources)
- Implementation
- Impacts

3 - EFFICIENCIES AND SUBSTANTIVE COORDINATION

- Improve coordination and dissemination of measurable information about UNEP assistance
- Define a more secure and permanent place for UNEP in the context of a poverty focused development agenda
- Integrate UNEP concerns more effectively into development strategies
- Encourage the increased participation of a range of government institutions in providing UNEP assistance, and support opportunities for direct NGO execution of publicity funded programs.

4 - GLOBAL ENVIRONMENT FACILITY

- Transferring budgeting responsibility and planning to local level(e.g. direct funding of local Agenda 21 s)

5 - INDEPENDANT AND AUTHORITATIVE ASSESSMENT OF UN SYSTEM

- Develop a set concepts, tools, procedures, best practices methodology, participation mechanisms and recommendations on UNEP in international environmental governance assessments
- Agree on operational environment governance assessment that makes it comparable with other sources of country level responding to national needs
- Include important environmental governance assessment and in development programs designed to reduce poverty
- Planning process international environmental governance assessment

6 - ECOSOC AND COMMISSIONS ON SUSTAINABLE DEVELOPMENT

- Planning process:
 - Analysis
 - Vision
 - Objectives
 - Strategies
 - Operationalisation
 - Financing
 - Implementation
 - Impacts

7 - ESTABLISHMENT OF UN SUSTAINABLE DEVELOPMENT BOARD

See planning process ECOSOC
